Mosq is an opulent, grand function venue & restaurant is furnished with authentic Moroccan decor, exotic rugs, plush daybeds and high vaulted ceilings adorned in gold lanterns.

Moroccan tapas and platters, Middle Eastern cocktails, flavoured shisha pipes and an outdoor bar & terrace complement the sensuous experience.

#### **Features:**

Daybeds, dance floor, DJ options, projector, sound system, outdoor terrace & smoking area, shisha pipes, outdoor and indoor bar & commercial kitchen.

This room is ideal for 60-85 guests for a cocktail style function and 40 guests for banquet style.

## Services

---

### **Exclusivity**

Your room hire fee grants you the privacy and exclusive use of your chosen venue for the duration of your event. Unlike many other venues, we do not open our doors to the general public at any point during your function, as we believe a *private* function is exactly that - private! *Your music, your DVDs, your guests, your night!*

### **Music**

Mosq provides a sound system to cater for your music requirements on the night. We do not provide in-house DJs but are happy to help you organise or find one. Alternatively we have all the necessary connections for an Ipod or CDs. We also have a selection of Moroccan music available onsite that we can provide to you on the night.

*\*If additional speakers are required for your function, these will incur an extra cost.*

### **DVD**

Mosq is equipped with a projector, DVD and large viewing screen. We also have some classic movies like Aladdin and Casablanca which can be played at your function to add to the atmosphere.

### **Function Coordinator**

It is always reassuring to have somebody there specifically to assist you with planning and organising your function. An experienced and knowledgeable function coordinator will be assigned to your event, to advise and assist you in the decision-making process and alleviate any concerns you may have.

Our dedicated functions head office will take you through the process from the day you make your first inquiry to the day of your function, making sure that all your requirements are met and ensuring you have a great night.

## Staff

Depending on the size and requirements of your function, we provide the following at no extra charge:

Bar Staff (depending on bar tab)  
1 Function/Venue Manager  
1 Chef  
1 Function Coordinator  
Waitresses (depending on food requirements)

If you have any special requirements we will do our best to accommodate them.

## Cakes

You are welcome to bring your own cake or cupcakes. If you choose to do so, there will be a \$1 per head service fee and we can cut and serve this dessert for you. We also ask that when choosing a cake you stay mindful of the fact that we cannot accommodate ice cream cakes or cakes that need to be refrigerated.

## Entertainment

It's a well-known fact that no matter who you are or where you hail from, everyone loves to be entertained. Have you considered adding an edge to your party by hiring some form of entertainment for you and your guests to enjoy?

In addition to our in-house belly dancers, our Function Coordinator can potentially organise the following performers, based on their availability and of course, your budget:

- Belly Dancers
- Musical acts - cover bands, acoustic duos, female & male vocalists.
- Circus performers - contortionists, juggling artists, hand-balance acts, acrobats.
- Beauty & massage therapists - great for Hens nights or for those who wish to indulge!
- Henna artists - add that little extra Middle Eastern angle to your Moroccan or Arabian Nights themed party!
- Magicians, psychics or illusionists - feel like a kid again and be dazzled by the possibly impossible!
- Tarot Readers
- Palm Readers

If there is anything else you can think of which is not contained in the above list, please don't hesitate to ask your Function Coordinator as they will be able to investigate any ideas on your behalf. We'll do the leg work for you!

## Invitations

We can provide you with a professionally designed, Moroccan themed eflyer invitation template which we can personalise for each of your guests.

Please enquire for applicable costs.

## Dépôts & Bond

---

In order to confirm all bookings we require a combined payment of a damages bond AND room hire fee. This security deposit (along with signed terms and conditions form) ensures that you secure the date you have requested. **Dates will not be held without a deposit.**

The bond will be returned to you within 5 working days of the conclusion of your function providing that nothing has been stolen, damaged or broken and provided that minimum spends have been met.

Please note that the bond cannot be offset against or put towards your total cost or spend on the night.

**Please choose your dates carefully as the security deposit will not be refunded in event of cancellation or change of date.**

## Terms & Conditions

---

Please ensure you read, sign and understand the venue's terms and conditions as detailed in the "**Registration Agreement Form**" provided to all clients at time of booking.

*\*Please note we do not allow any external catering with the exception of birthday cakes.*

## Room Hire & Minimum Spend

---

**Room hire** provides you with exclusive use of the entire venue for the duration of 5 hours and covers lease & liquor licence, all staffing and administrative costs associated with organising and running your function. Also included in your room hire is the use of the venue's sound system, TV/Projector and DVD.

All functions booked will be subject to a minimum spend. Minimum **beverage spend** stipulates the combined amount spent on beverages by both your guests and yourself. Minimum **total spend** (if applicable) denotes the minimum that must be spent on both food and beverages by both your guests and yourself. Room hire does not contribute to minimum spend.

As room hire and minimum spend are dependent on the date, preferred venue and day of your event, please contact your function manager to discuss room hire and minimum spend applicable to your event.

Please note, due to our busy Christmas period November & December functions incur higher room hire and minimum spends.

A few of our favourites:

### **Blackberry & Lychee Martini**

**15**

Exotic in flavour, delightful in taste. Muddled lychees, Cariel vanilla vodka, a touch of Soho lychee liqueur and the blackberry richness of Chambord. Always a favourite.

### **Vanilla Passion Martini**

**15**

The seduction of a vanilla sugar rimmed glass that holds the sweetness of passionfruit and the softness of Cariel vanilla vodka. You will definitely be left wanting more.

### **Paris Hilton**

**15**

Named for a certain heiress, this brilliantly pink infusion of our own musk vodka, Cariel vanilla vodka, fresh lime and lemonade is devilishly sweet enough to bring out the socialite in anyone.

### **Pulp Fiction**

**15**

The path of the righteous man is beset with all sides of Canadian Club, passionfruit pulp & butterscotch. Blessed is he that adds a dash of dry ginger ale to shepherd the weak through the valley of darkness and thirst.

### **Moroccan Peach Tea**

**15**

This refreshing blend of our own secret tea and mint infusions with the presence of peach provides a drink that can be enjoyed in summer or in winter and provides the perfect cocktail to match your Moroccan themed event.

### **Long Island Ice Tea**

**15**

Potent and refreshing – vodka, Bacardi, gin, Triple Sec & tequila, smothered in ice & topped with coke & lemon juice. One for the guys AND the girls.

### **Cosmoroccan**

**18**

Our take on ye old faithful; Wyborowa vodka, cranberry juice, fresh mint & lime, along with Pama pomegranate liqueur make the original Cosmopolitan taste soooooo 7 years ago.
